Organisation:

Innovative, Inspiring

Our persistent effort of introduction of innovative, indigenous tools for industry and agricultural sectors define the Company's legacy.

About us : With a strong vision of catering and introducing newer tools keeping in pace with the time Multitec is ever ready with its team.

Vision : We aim to become the well-known name in tools for Industries, Horticulture & Agriculture sectors.

Mission : Innovate, Develop, Upgrade and Manufacture tools in-house for various Industries, Agriculture & Horticulture keeping pace with necessity and time.

Our Journey : With one tool - Wire Stripper in 1981, today Multitec manufactures over 200 kind of tools in-house in various categories.

Today with two Plants in Gurgaon, Haryana and Roorkee, Uttarakhand it is spread in an area of 70000sq.ft.

Milestones :

1981 : Incorporation: first company in India to launch wire strippers for electronics and electrical industry.

1984 : Launched Flash Cutters, Diagonal Nippers from HCHCr for Electronic Industry.

1991 : Crimping tools for Electronic Industry.

1996 : Ball type Allen keys & T-type Allen keys made out of Mo-Cr Steel.

1998 : Pneumatic Screw Driver Bits.

2006 : High-performance Stainless-Steel tools.

2011 : Screw Drivers with Hexagon rod.

2017 : Initiated development of high-quality Agri & Garden tools.

2024 : Quick-fix Multi Tools System introduced.

Our presence : We are India's leading tools manufacturer having footprints in US, Europe, Asia and across the length and breadth of India.
