BAUM HAND TOOLS ABOUT US

Baum is a family-owned company. We are committed to integrity and to being respectful and consistent in our relationships with people who, with profound respect for the hand tools industry and with great passion for doing a good job, are contributing to make BAUM the leading hand tools company. Derived from that philosophy is our “Everyone Wins” model - that assures WIN WIN situation for all involved i.e. clients, collaborators, suppliers and the company itself.

Since 1974, BAUM has been proudly offering quality and innovative hand tool solutions. For over 50 years, we have built a legacy by producing some of the most well known hand tools and storage products in the world, all to help you build a legacy of your own. We are committed to bringing you durable and quality tools that are inventive & distinct. With superior quality, constant innovation and rigorous operational improvements, BAUM defines excellence and is trusted by professionals around the world.

We know that to be successful in the hardware industry it is necessary to work as a team and to have long-term business relationships based on trust, respect and shared goals. That is why we are committed to acting in a transparent, honest and upright manner with every person that contributes to developing and strengthening our company: users, clients, suppliers & collaborators. Coupling this philosophy with hiring and retaining the greatest of people, one of any company's most important assets, gives us invaluable competitive advantages. Presently BAUM is the most renowned and widely used brand in the country's hardware market.
