COMPANY PROFILE

R.R. Machine Tools was inceptioned in the year 1958 under the guidance of Sh. Hari Krishan Jain & Sh. Rabinder Jain. Currently the company is running under the leadership of Mr. Rakesh Jain. Due to his industrious efforts, Over the past 30 Years. We have been scaling new heights of success. Today, we are counted among the prime manufacturers of All Kinds of Punches and Hand Tools. Empowered with a state of the art infrastructural base, we have been providing high quality Punches. Installation of advanced technology machines and equipment in the infrastructural base assures the development of high performance products within the timeframe.....

INFRASTRUCTURE

Sprawling over a large area, the state of the art infrastructure is the most credited feature of our organization. It houses our proficient team and accommodates technically advanced machinery. Moreover, our infrastructure assists in proper production of goods in bulk quantities that too within stipulated time frame.

TEAM

Our business endeavors are supported by a proficient team which is well acknowledged with the production, packaging, and distribution processes. Our team works with proper co-ordination with each other and thus serves the best in terms of quality, packaging, and distribution.

OUR MISSION

- To provide environment-friendly, industrial & decorative coating solutions that would add value to customers' assets.
- To help customers across the globe, focus on their business by taking ownership of their coating related activities
- To be at the cutting-edge of technology both in terms of physical and intellectual resources, to create value for our stake-holders through growth & innovation
- Nurture a culture of dynamism and learning that provides all employees with an opportunity for professional as well as personal growth.

WHY US

Some of the competitive advantages that place Ace International ahead in the industry are:

- . Total customer satisfaction
- . Professional services to the customers
- . Import standard quality
- . On-time delivery
- . Extensive range of products
- . Capability to meet bulk order
- . Supply of Customized Products
